

May 20, 2014

Mr. Eric Everett, R.Ph.  
Owner  
O'Brien Pharmacy - ID: 155  
5453 W. 61st Place  
Mission, KS 66205

Dear Mr. Everett:

I am pleased to inform you that O'Brien Pharmacy has been approved for continuation of its accreditation as a "PCAB® compounding pharmacy" for sterile and non-sterile compounding. Your accreditation is valid through April 7, 2017 contingent upon the pharmacy's ongoing compliance with PCAB® standards and payment of all fees.

PCAB® was created by the leading organizations in the pharmacy profession for the purpose of recognizing those compounding pharmacies that have demonstrated their outstanding commitment to quality. O'Brien Pharmacy is one of the more than 215 PCAB® Accredited pharmacies nationally.

With your pharmacy's continued designation as a PCAB® compounding pharmacy, patients and practitioners can know that O'Brien Pharmacy ranks among the best compounding pharmacies in the country for compliance with quality standards. This is visible evidence of your commitment to your patients and the pharmacy profession.

Please accept my congratulations on behalf of the pharmacy profession and the patients that you serve. Professional self-regulation is the most effective means in assuring integrity and quality.

Sincerely,

A handwritten signature in black ink, which appears to read 'Cynthia Freberg', is positioned below the word 'Sincerely,'.

Cynthia Freberg  
Acting Executive Director/Director of Operations
