

COMPOUNDING WITHOUT
COMPROMISE SINCE 1962

Autologous Serum Eye Drops

This drug was compounded for you by O'Brien Pharmacy according to your provider's prescription. **CAUTION** Federal law prohibits the transfer of this drug to any person other than the patient for whom it was prescribed. This information is provided in addition to the written information and pharmacist consultation you received. No standardized patient information is available for this compound.

Use

Common uses include treatment of dry eye or other eye conditions.

Side Effects

A brief sting or burn is possible when instilling the eye drop. This can vary from drop to drop, day to day, and bottle to bottle. This is due to the changing condition of the eye.

Precautions

Stop the medication and report any redness, swelling, or irritation to your provider.

Directions

Inspect for contamination before use. Wash hands before using. Do not touch dropper tip to eye, skin or any surface. Tilt head back and pull gently on lower lid to create pocket. Instill drop, close eye and apply gentle pressure to inside corner of eye near nose. If using multiple drops, allow 5 minutes between each drop. Crystallization around the nozzle is possible. If you notice clogging, tap bottom of bottle on the counter to dislodge.

Storage

Please note storage conditions and expiration. Store the eye dropper in use in the refrigerator. Store unused bottles in freezer until beyond use date. Use one eye dropper for no more than 72 hours and discard- even if some remains. Use a new bottle for the next dose. Contains no preservative. Caution package may not be childproof. Do not flush unused medications or pour down a sink or drain.

You have the right to know about the proper use of your medication and its effects. A pharmacist is available for consult Mon. - Fri. 10 a.m. to 6 p.m. Central Time by calling the pharmacy at 800-627-4360. Patients in California will receive a return call on Saturdays for voicemails left by noon Central Time (10 a.m. Pacific Time).
